7.6 – Public Meeting
Proposed Amendment to Zoning By-Law by Mattamy
(Brownridge) Ltd to permit mixed use development

- **Are you representing a group?**
  No

- **Council Meeting Date**
  12/9/2024

- **Please indicate how you intend to participate during the Council Meeting**
  In person

- **Please describe the issue you intend to present:**
  Proposed condo buildings will negatively impact current and future residents as a result of increased population density and traffic in a community of school aged children specifically who walk to surrounding schools.

- **Please describe specific actions you want Council to take:**
  1. Reduce building size to reflect reasonable and safe growth.
  2. New traffic study between 7:45am-8:15am and 2:20pm-2:45pm during a school day (excluding exams or holiday) on Louis St Laurent and Ferguson Drive.
  3. Remove retail from proposed plans as parking has not been included.
  4. Ask Mattamy to take care of previous white picket fences naming the community as they are a disgrace and eye sore in the community.

- **Staff Report Number (if known)**
  N/A

- **Please provide your comments in support of or in opposition to the staff recommendation:**
  We are not in support of these condos going in to the proposed site.

- **Do you give your permission to be audio and video recorded on the Town of Milton's live Council meeting stream?**
  Yes I give my permission
