SUBJECT: Kiss-and-Rides at Schools  
CONSIDERATION DATE: May 26, 2025  
MOVED BY: Councillor Ali  
SECONDED BY: Councillor Marshall

**WHEREAS** the safety of all children must be considered as paramount when dropping students off at school;

**WHEREAS** the Halton Board of Education has stated that the increase in student numbers and traffic has made existing kiss-and-ride areas unsafe leading to closed kiss-and-rides and school parking lots during high-volume times;

**WHEREAS** each school situation is unique wherein programming is tailored to individual student needs and may include support for learning disabilities, physical disabilities, autism and other conditions requiring additional parking needs;

**WHEREAS** schools are subject to an enforceable site plan agreement;

**THEREFORE IT BE RESOLVED** that staff:

Explore the possibility of re-opening kiss-and-rides, particularly if they are not being used or if existing facilities are underutilized.

Work with school officials to undertake amendments to site plan agreements to reconfigure school sites to ensure safe site circulation.
