- **Please describe the issue you intend to present:**
This is regarding the Statutory Public Meeting changing the zoning in the Heights Neighbourhood (Town file: Z-06/25) being held on Monday, May 26th. I have just requested the documents pertaining to the file. I am currently out of the country,

returning May 23rd and will have limited access to technology while I'm away. The cut-off date to request to make a delegation is May 22nd. I won't have had an opportunity to review the documents until the weekend of May 24th and, therefore, am not in a position to identify what, if any, issues I will have until a day or two before the meeting. However, given my ongoing concerns about the development in Milton Heights, I believe I need to get my request to delegate in. Should I have no issues to speak to after reviewing the documents, I will withdraw my request to delegate. That likely won't happen until Monday, May 26th. Thank you.

- **Please describe specific actions you want Council to take:**
Please see above. I won't know until I see the documents I have just requested which pertain to this file. As I am away until May 23rd and will have limited access to technology until then, I won't have had a chance to review those documents and identify the issues until the weekend of May 24th.
