EXECUTIVE SUMMARY

- Staff recommends that the names contained in Appendix "A" -Proposed Street Names, be approved, as they comply with the established criteria as per Naming Streets Corporate Policy #70.
- Appendix "B" contains the street names recommended to be released from the Alternate Street Name Bank into the Street Name Bank.
- Appendix "C" contains street name nominations that are not recommended for approval, as they do not comply with the established requirements.

REPORT

Background

Staff, in consultation with our emergency service partners (Halton Region Police Service and Halton Paramedic Service), has received and evaluated the street name nominations received for the period April 2024 to May 2025.

The evaluations have been conducted in accordance with the Council-approved Policy No. 70: Naming - Streets, as outlined in the staff report DS-013-22.

Discussion

Since April 2024, Staff has received and reviewed eighteen (18) proposed Street Names. Twelve (12) names meet the policy criteria and are recommended for inclusion into the Street Name Bank subject to Council approval (see Appendix "A").

Appendix "B" contains a street name "Tesser" to be released from the Alternate Street Name Bank into the Street Name Bank. As Councillor Kristina Tesser Derksen will no longer be serving as a sitting member of Milton Council, the name "Tesser" is now eligible for use.

Street name nominations that do not comply with the Corporate Policy or have insufficient reason for approval are listed in Appendix "C."

In evaluating the street name nomination submissions, it was found that the quality of the reasons submitted is insufficient or incomplete in some applications. Staff have asked for additional information in these situations, and if it is not received or is still insufficient, they will not be able to evaluate properly.

Council-approved Street names may be subject to further review by our emergency service partners in the Halton Region. The time lapse between Council approval and adoption of these names may conflict with street names already implemented for other Halton municipalities during the adoption period.
