Boyne Secondary Plan- Information Session

I did attend a neighborhood information session on September 25th, 2024 at Sainte Anne Catholic Elementary school. As a resident living in a Mattamy home near Louis St. Laurent and Ferguson Drive for the last 13 years, I would like to mention the residents' concerns about a 12-storey building planned directly opposite our properties (see Building A in the attached public information flyer). Our neighborhood has all detached single-family homes. Some of us have spent significant amount of money to install swimming pools, backyard patios etc. This development is going to be an invasion of privacy as the upper floor occupants would be directly looking to the backyards and swimming pools.

We, as residents, would like to propose the following alternatives regarding the planned buildings:

- Make the Building A (as per the plan) shorter to be a 6-storey building; or
- Change Building A and B locations and make Building B shorter.

Waiting to hear a positive response.

Thanks & Regards,

## Angela Janzen

Hi Angela,

Appreciate your detailed response.

Regarding the application, I am reiterating my concerns and recommendations below:

As a resident living in a Mattamy home near Louis St. Laurent and Ferguson Drive for the last 13 years, I would like to mention the residents' concerns about a 12-storey building planned directly opposite our properties. Our neighborhood has all detached single-family homes. Some of us have spent significant amount of money to install swimming pools, backyard patios etc. This development is going to be an invasion of privacy as the upper floor occupants would be directly looking to the backyards and swimming pools.

We, as residents, would like to propose the following alternatives regarding the planned buildings:

- Make the Building A (as per the plan) shorter to be a 6-storey building; or
- Change Building A and B locations and make Building B shorter.

Thanks & Regards,
