## NOTICE OF DECISION

### SCHEDULE 1

File Number:	A22/034/M
Date of Hearing:	MAY 26, 2022
Applicant:	MISHRA
Municipal Address:	142 YATES DRIVE

#### PUBLIC CONSULTATION:

Notice of Hearing was provided as required by the Planning Act on May 11, 2022. All written submissions received, if any, and any oral submissions made at the Hearing related to the application were considered in the decision. **THEREFORE, it is the decision of the Committee of Adjustment THAT Minor Variance Application (A22/034/M) BE:**

#### APPROVED with Condition(s):

1. That the secondary dwelling unit shall be located and constructed in accordance with the site plan and building elevations, prepared by Deepak Mishra, date stamped by Town Zoning on April 12, 2022.
2. That a building permit application be obtained within two (2) years from the date of this decision.
3. That the approval be subject to an expiry of two (2) years from the date of decision if the conditions are not met, if the proposed development does not proceed and/or a building permit is not secured.

#### NOTES:

1. *Regional development charges and educational development charges are applicable in accordance with the appropriate agency's policies and by-laws. Town development charges and other charges are applicable on any future development in accordance with Town policies and by-laws and other applicable legislation. All development charge inquiries should be directed to [DevelopmentFinance@milton.ca](mailto:DevelopmentFinance@milton.ca)*
2. *Municipal property taxes must be current prior to approval. Inquiries with respect to property taxation should be directed to 905-864-4142 or [taxes@milton.ca](mailto:taxes@milton.ca).*
3. *Trustee clearance is not applicable.*
4. *The subject lands are located within an area of Archaeological Potential. However, it is acknowledged that the lands have been previously disturbed with development. While an Archaeological Assessment is not required, the proponent is cautioned that during development activities, should archaeological materials be found on the property, the Ontario Ministry of Heritage, Sport, Tourism and Culture Industries should be notified immediately. In the event that human remains are encountered during construction, the proponent should immediately contact the appropriate authorities (police or coroner) and all soil disturbance must stop to allow the authorities to investigate and the Registrar of Cemeteries to be consulted.*

#### REASONS:

It is the decision of the Committee of Adjustment to authorize this variance application for the following reasons:

1. The general intent and purpose of the Official Plan is maintained
2. The general intent and purpose of the Zoning By-law is maintained.
3. The variance(s) is considered desirable for the appropriate development of the land.
4. In the opinion of the Committee, the variance(s) is minor.

#### CONSIDERATION FROM THE PLANNING REPORT:

Planning Staff have reviewed the request to reduce the size of the parking space and offer no objection to the proposed variance approval. In regards to the proposed driveway reduction, the owner has provided photographs that demonstrate the vehicles can adequately park wholly on the existing driveway and access to the interior of the vehicles can be achieved. In regards to the interior side yard setback, Town staff are of the opinion that the proposed interior side yard will not negatively impact the neighbouring property.

As such, the proposed development is appropriate for the efficient use of the land by providing an accessory dwelling unit which contributes to housing affordability, will not result in overbuilding of the property, will not impact the personal enjoyment of the lands or any neighboring property and will not be of detrimental impact to the lands, the street or surrounding area
