### **COMMUNITY FACILITIES**

*Community facilities* include facilities designed to meet the social and cultural needs of the residents including places of worship, daycare centres, museums, cultural centres or other similar uses. The *Town* will work with such organizations to ensure that provision is made for such facilities in appropriate locations to serve the residents' needs.

- 2.5.3.13 In determining appropriate locations for community uses, the *Town* shall have regard for the type of service provided by the facility, recognizing that some uses will serve a localized population, while others will serve the whole or large portions of the *Town*, as well as tourists and other visitors.
- 2.5.3.14 The *Town* shall provide for the location of *community facilities*
