AMENDMENT NUMBER 79

TO THE OFFICIAL PLAN OF THE TOWN OF MILTON

PART 1 THE PREAMBLE, does not constitute part of this Amendment

**PART 2 THE AMENDMENT, consisting of the following text constitutes
Amendment No. 79 to the Official Plan of the Town of Milton**

PART 1: THE PREAMBLE

THE TITLE

This amendment, being an amendment to the Official Plan of the Town of Milton shall be known as:

Amendment No. 79
To the Official Plan of the Town of Milton
8350 Esquesing Line
Part Lots 3 and 4, Concession 4, Former Geographic Township of Esquesing
(Town File: LOPA-09/21)

PURPOSE OF THE AMENDMENT

The purpose of the amendment is to incorporate revisions to various sections and schedules of the Town of Milton Official Plan and the Milton 401 Industrial/Business Park Secondary Plan. The amendment includes expanding the boundary of the Urban Area and the Milton 401 Industrial/Business Park Secondary Plan area to include approximately 14.25 hectares (35.21 acres) of additional land. The amendment also includes changes to the existing Special Policy Area No. 42 including additional permitted uses in the Industrial Area and Business Commercial Area designations.

LOCATION OF THE AMENDMENT

The subject property is located at 8350 Esquesing Line and is legally described as Part of Lots 3 and 4, Concession 4, Former Township of Esquesing, Town of Milton. The subject property is 106.13 hectares (262.25 acres) bound by the Greenbelt Plan area to the north, Boston Church Road to the west, Esquesing Line to the east and the Hydro One corridor abutting James Snow Parkway to the south.

Approximately 74 hectares (182 acres) is currently within the Town's Urban Area and designated Industrial Area. This amendment proposes to expand the Urban Area boundary to include approximately 14.25 hectares (35.21 acres) of the subject property.

BASIS OF THE AMENDMENT

Halton Region Official Plan Amendment No. 38 (ROPA 38) established the Town of Milton Urban Area intended to accommodate population and employment growth for the planning period of 2021 to 2031. Through ROPA 38, approximately 74 hectares (182 acres) of the subject property was included in the Urban Area and designated Employment Area. On August 23, 2021, the Town of Milton approved Official Plan Amendment No. 67 (OPA 67) to implement ROPA 38 at the local level and include policies in the Town's Official Plan to guide future development in a comprehensive manner.

The current Urban Area limit falls short of including all lands that are within the Provincially Significant Employment Zone (PSEZ) as mapped by the Province and as a result excluded a portion of the subject property (northern sliver lands) that is proposed for future employment growth, consistent with the PSEZ area.

On June 15, 2022, Halton Region approved Regional Official Plan Amendment No. 52 (ROPA 52) which had the effect of bringing the northern sliver lands into the Urban Area in a manner that is consistent with the PSEZ area as well as Provincial and Regional growth plan objectives and policy directives.

The purpose of this amendment is to implement ROPA 52 to expand the Urban Area limit to include the northern sliver lands in order to facilitate the development of employment uses on the subject property. The northern sliver lands comprise an area of approximately 14.25 hectares (35.21 acres) of which approximately 6.26 ha (15.47 acres) of land is Urban Area and will be designated Industrial Area for employment uses while the balance of approximately 7.99 ha (19.74 acres) will be designated Natural Heritage System. The area within the Natural Heritage System includes a realigned watercourse, channel, woodlot and woodlot buffer. The portion of the northern sliver lands that will be designated Natural Heritage System will be protected and no development will be permitted in this area.

In addition to the above, the amendment expands the boundary of the Milton 401 Industrial/Business Park Secondary Plan area to include the northern sliver lands. The amendment also proposes to amend Special Policy Area No. 42, which includes the subject property, in the Town's Official Plan to include new permitted uses in the Industrial Area designation and Business Commercial Area designation on the subject property.
