TENDER AWARD**

Project Award	Tender Award No. 24-01-00507 – Rehabilitation of Structure 74 - Kelso Road Bridge														
Recommendation	Staff is recommending that the tender for the Rehabilitation of Structure 74 - Kelso Road Bridge be awarded to Bronte Construction Inc. in the total amount of \$1,195,807 (exclusive of HST) being the lowest compliant bid received.														
Purpose of Report	As per Section 10.1 of Purchasing By-law No. 061-2018, Council approval is required for tender awards over \$1,000,000.														
Background information	<p>This capital project is for the rehabilitation of the Kelso Road Bridge (structure 74). This bridge was identified in the 2019 Bridge needs study for rehabilitation. Structure 74 was originally anticipated to be rehabilitated as part of the 2020 Bridge rehabilitation. During the detailed design works, an additional bridge condition survey was recommended and conducted. Results of the additional bridge investigations recommended full removal and replacement of the concrete bridge deck. As such, Kelso Road bridge was removed from the rehabilitation program and budgeted and approved as a separate capital project.</p> <p>Rehabilitation will consist of removal and replacement of the bridge concrete deck, new concrete approach slabs, new asphalt wearing surface, removal and replacement of the parapet walls, concrete patch repairs and associated grading and landscaping.</p>
